Downpour fails to dampen festival spirit

A GIANT fire-breathing bird, colourfully dressed dancers and street performers launched the countdown to Basingstoke Festival in spectacular style.

Even torrential rain did not manage to quash the feeling of revelry on Friday as 250 people lined the streets ahead of the festival's official launch.

'WE NEED SCHOOLS AND ROADS - NOT JUST HOUSING'

MORE than 200 Basingstoke residents packed into a community centre on Monday night to warn politicians of the need for schools and roads to keep up with house building.

Worried residents warned of a lack of infrastructure improvements to support extra houses included in changes to the borough's housing blueprint.

By **Christian Wilson**
christian@taylornewspapers.co.uk

The Basingstoke and Deane Borough Council local plan, earmarking where housing is to be built until 2029, is under public consultation until June 22. It was altered in April to

include plans for 850 houses built per year in the borough – up from the original proposed figure of 748.

Residents at Hatch Warren Community Centre attended a meeting of local campaign group South West Action Group (SWAG) to raise their concerns about infrastructure.

Showdown over housing plans

AROUND 250 residents united on Monday to voice concerns over the lack of infrastructure in place to deal with housing planned for Basingstoke.

In total 850 homes are to be built annually over the next 14 years as part of Basingstoke and Deane Borough Council's updated draft local plan - an increase on the figure of 748 previously suggested.

With a council-run consultation currently underway until June 22, Basingstoke campaign group South West Action Group (SWAG) called Monday night's meeting at Hatch Warren Community Centre to give residents the chance to have their say.

New plans for 750 houses at Hounsborne Fields, alongside 1,000 houses at Basingstoke Golf Course and 310 houses at Kennel Farm, left locals concerned.

Many voiced worries over a lack of infrastructure and services to help support new housing.

Teresa Hook, of Kempshott, said: "My main gripe is that I don't believe that the infrastructure will be provided - something isn't right."

"Whereas some people are thinking just around the corner, I'm trying to envisage 10 years down the line."

By Christian Wilson

christian@taylornewspapers.co.uk

"We shouldn't be prepared to let the next generation deal with the fallout."

Husband Mick Hook added: "When you hear about the inadequate infrastructure, transport services and schooling, you can't help but worry."

Several councillors were present to answer questions, including Basingstoke and Deane deputy leader Terri Reid, Oakley and North Waltham councillor Rob Golding and Kempshott councillor Hayley Eachus.

And Cllr Golding urged residents to work together for the best outcome for the borough.

He said: "We worked very hard on this plan."

"Every councillor involved cares about this area and we need to all work together now to get the best outcome for Basingstoke."

The issue of how the area's schools would handle the influx of new people was raised multiple times at the meeting.

South West Action Group analyst Antony Merriman predicted

big problems in Basingstoke.

Mr Merriman said: "If new schools aren't built quickly enough it's clear that we will have a period of time when catchment areas won't match."

"That means further distances for people to travel and more cars on the roads."

And traffic proved to be a point that riled the public.

Beggarwood resident Laura Hodgson said: "The traffic is already so bad that you can barely get through as it is."

"Putting more people and more traffic lights into the area will only make it 10 times worse."

Simon Preedy of Hatch Warren added: "Brighton Hill roundabout is awful."

"All of this money is supposedly being spent on roads, but we're not seeing any of the benefits as it is."

Burglars ram raid business in stolen Land Rover

BURGLARS used a stolen Land Rover to ram raid an Alton business to pilfer £13,000-worth of chainsaws, leaf blowers and strimmers.

Engineering retail company Mike Garwood Ltd was targeted by thieves at about 3.30am on Saturday, May 23.

Police launched an appeal on Monday for anyone who might have been offered agricultural tools at cut prices to get in touch.

The burglars stole a Land Rover from an Andover farm.

They then rammed it through the doors of Mike Garwood Ltd's rural building in Shelleys Lane, off the B3004 at East Wordham.

Hampshire Constabulary

Detective Constable Matt Dennis said: "This premises has been targeted previously by burglars, so I am really keen to hear from anyone who may have any information relating

to this incident. "This is quite a remote rural area, but were you driving past at the time or have you heard people talking about having this equipment for sale?"

Cigarette robbery

KINGSCLERE: A Kingsclere shop was burgled of £1,000-worth of cigarettes.

The Nisa Local store in Swan Street is also counting the cost of around £1,000 worth of damage to the front of the store as a result of the break in.

Two men wearing motorbike helmets forced into the shop at about 1.30am last Thursday by smashing windows and breaking the front door down.

They then cleared out the cigarettes from behind the counter, before leaving the scene on a dark sports-style motorbike.

It is understood the suspects fled in the direction of Overton, with both men described as being slim to medium build and wearing casual clothing.

Hampshire Constabulary are appealing to witnesses to provide them with any more information on the incident.

DC Thomas Prutz said: "This was a small local business targeted for a high value theft."

"A substantial amount of money has been spent on updating the shop. As part of this incident the offenders did significant damage to the front of the store, which must now be repaired."

"I would like to speak to anyone who saw or heard anything on the night or has any information at all about this crime."

"I would also like to speak to anyone who saw two people on a motorcycle overnight in the rural area of North Hampshire."

Chief executive

HAMPSHIRE: The chief executive of Hampshire County Council will stand down later this year after eight years in the position.

Andrew Smith OBE was appointed in 2007 following a national search for a candidate.

In addition to his role as chief executive for Hampshire, he had also been advisor to the Local Government Association and Central Government.

Lib Dem cllr blasts his no-show political rivals

A LIBERAL Democrat councillor has blasted a political rival's decision not to attend a public meeting on Basingstoke's local plan.

Basingstoke and Deane Borough councillor Gavin James was among around 250 people present at a question and answer session at Hatch Warren Community Centre on Monday night.

The representative for Eastrop was among several councillors who helped address residents' queries on the increase of housing in the borough as part of the council's updated draft local plan.

But while the likes of deputy leader Terri Reid and Hatch Warren and Beggarwood councillor Rebecca Bean accepted invitations to attend, Norden Cllr Paul Harvey did not manage to make the South West Action Group (SWAG) meeting.

And Cllr James claimed that the Labour councillor, who stood for the post of Basingstoke's Member of Parliament at last month's general election, had failed to attend because his party "don't care" about the influx of housing in the area.

He said: "It's clear that Paul didn't show up tonight because there's no longer an election on."

"Paul always makes sure that he says the right thing at the right time to please people but there's no substance."

By Christian Wilson

christian@taylornewspapers.co.uk

But Cllr Harvey responded: "The Labour group is the only party that has consistently voted against the local plan - the Lib Dems didn't."

"We've stood up and been counted and always voted against this flawed system."

"We're consistently raising these concerns - everyone knows where we stand on the matter."

He added: "I'm disappointed by the comments, and can only assume that he must have a guilty conscience."

Monday's meeting coincided with a council-run consultation until June 22 on the decision to raise the annual house building figure across the borough from 748 homes to 850 homes a year. Basingstoke MP Maria Miller also declined the invitation.

Mrs Miller confirmed to the Observer that she had missed the public meeting as she had been sitting in parliament that day in Westminster.

But her absence was still picked up on by both Cllr James and residents.

Peter Moss from Kempshott said: "I'd like to think that our Member of Parliament would have some input in our interests, but she's not here."

Cllr James added: "I believe

that Maria was invited here tonight as well but hasn't shown up either."

"Now that she's an MP again, I doubt you'll see her at many of these meetings."

SWAG were quick to point out that Mrs Miller had played a substantial role in their campaign however, and refuted suggestions that the Conservative representative had had no input on the issue of housing.

Chairman Geoff Burnes said: "I think it's unfair to criticise Maria because she is most certainly on our side when it comes to this and has been active and supportive with our campaign for some time."

Cllr Reid added: "As far as I know, Maria has been talking to SWAG for some time and has been extremely supportive over the issues raised here."

Former royal aide cleared of sex charges

THE former personal assistant for the Duke of Edinburgh has been cleared of sexual assault charges.

Benjamin Herman, of Hook, had been on trial over allegations that he had abused an 11-year-old girl while working at Buckingham Palace in the 1970s.

The 80-year-old had always denied

the charges.

A jury at Blackfriars Crown Court in London agreed with his version of events and found him not guilty last Wednesday.

He was cleared of three counts of indecent assault and one count of indecency on an unnamed woman in a south-west London house used by military personnel where he

lived, between 1972 and 1974.

Mr Herman's responsibilities included managing Prince Philip's personal diary and accompanying him on official royal business among his duties as the Duke of Edinburgh's equerry between 1971 and 1974.

He also served as a major in the Royal Marines during this time.

Deluge fails to put out firebird in Top of Town

A MIDDAY downpour wasn't enough to extinguish the flames of a giant fire-breathing bird on Friday.

The five metre tall metal creature led a procession of drenched performers and spectators through the streets of the town centre, launching a 21-day countdown to the Basingstoke Festival.

Around 250 people defied rainy conditions to line the roads as colourfully dressed dancers from Youth Centre and JD Dance strutted their stuff alongside the bird every step of the way.

The Top of Town procession

By Christian Wilson

christian@taylornewspapers.co.uk

made its way up Wote Street at 12.45pm in a quest to find the giant bird's egg.

The firebird found its egg in Top of Town just in time to watch it hatch.

But while the weather may have delayed the start of the parade by 15 minutes, Basingstoke Festival coordinator Julia Tymukas was adamant that there was never a danger of it being cancelled.

She said: "We were a bit worried there for a second, but we managed to brighten up the town and make everyone forget about the wet and the cold."

"And we even managed to stop the rain by the end, just like magic!"

"Rain or shine though, it was never going to stop us today."

The parade was created by outdoor arts company Emergency Exit Arts - who constructed the bird - and Basingstoke's Proteus Theatre Company, with both set to play a continued role when the festival starts in just over two weeks time on Friday, June 19.

More than 100 events will take place across Basingstoke for nearly a month after that - ending with Basingstoke Live music festival at War Memorial Park on Saturday, July 11 and Sunday, July 12.

Last year saw a giant steel dragon slither through town to mark the festival countdown, but one organiser felt this year was even more dramatic.

Top of Town events producer John Sackett said: "It was a fantastic launch - we aimed to go one better than last year and we did just that."

"And to overcome the weather along the way makes me even prouder of everyone involved."

The end of the parade saw dancers from Basingstoke Academy of Dance join the Ingenious Gentleman band to perform by the Willis Museum.

One person who wasn't feeling so relaxed as storm clouds gathered was Emergency Exit Arts production manager Ben Raine.

He said: "We nearly ran a mile when we thought the storm was coming, because the bird is a giant magnet for lightning."

"But thankfully the weather behaved itself for just the right amount of time and everything went to plan."

Vox Box

Karen Baldwin, 45, a finance officer from Hook: *It excelled all expectations. My son Jack and daughter Hazel were both part of the dance group and I'm so proud of them.*

Wendy Blackall, 48, a teaching assistant from Hatch Warren: *I'm not surprised it went so well even with the rain, because I know how hard they've worked. My daughter Zoe was involved and I could tell she had lots of fun.*

Sharon Davies, 44, a nursery nurse from Basingstoke: *The weather was never going to stop this. It was fabulous. I'm proud of the JD Dance family and looking forward to the festival.*

Man killed after multiple hit and run

A PEDESTRIAN has died after being hit by more than one car while walking along an A road near Popham.

The 27-year-old was walking eastbound on the A303 by Popham services at about 12.20am when he was struck on Saturday, May 23.

Police believe he was hit by multiple cars.

Hampshire Constabulary issued an appeal last Wednesday for anyone with information to come forward.

Sergeant Gabe Snuggs said: "Did you see a man trying to cross the road or walking alongside it?"

"Maybe you saw something unusual in the carriageway or perhaps struck something but weren't sure?"

"We've already spoken to a car driver and an HGV driver and identified further lines of enquiry and further potential witnesses."

"These include two or three vehicles that would have potentially passed the man in lane two of the eastbound carriageway at Popham just before the services."

"We'd also like to hear from any potential witnesses who may have swerved to avoid a cone we're told was in lane one just before this section."

Anyone with any information is asked to contact Sergeant Snuggs at Eastleigh police station on the 101 number, quoting Operation Bucklesham.

Young chef in finals of 'cooking Oscars'

By Christian Wilson

christian@taylornewspapers.co.uk

A BASINGSTOKE chef is set to pit his skills against the country's best after being nominated for a national cooking award.

Gordon Stott has made quite a reputation for himself since taking control of the kitchen at the Sun Inn at Dummer in 2012.

Aged just 20 years old at the time, Gordon became one of the youngest people in the country to juggle the roles of pub head chef and landlord.

Fast-forward three years and the businessman's skills are now being recognised.

The 24-year-old was named as one of three finalists for the Craft Guild of Chefs' 'Pub Chef of the Year' awards, with the winner being announced later this month.

He said: "To be honest, I'm over the moon to reach the final three."

"I only found out when I was phoned up by a magazine to ask me how I felt, and it's fair to say that it was a massive shock."

"I never thought that I stood a chance as I'm competing against chefs who are much older."

"But now I'm here, I'm confi-

Gordon Stott, 24, is one of three finalists in the 'Pub Chef of the Year' awards

dent I can go on and win it."

The Craft Guild of Chefs awards have been compared to the cooking industry's equivalent to the Oscars, with the prestigious event recognising the best chefs from across the UK.

But Gordon, originally from Berkshire, very nearly followed a different career path after

completing an apprenticeship as a carpenter.

After changing professions and picking up a Cordon Bleu Diploma from Tante Marie's cooking course however, the chef has never looked back.

He added: "I love the buzz of it - it's something that I'm really passionate about."

"I haven't had a holiday in six years and my social life has had to go on the back burner, but it has been worth it."

"Whenever I have a day off, I always miss the heat of the kitchen."

The winner will be announced at a ceremony on June 15 at London's Park Lane Hotel.

Miss Basingstoke's selfie with a purpose

By Christian Wilson

christian@taylornewspapers.co.uk

Cystic Fibrosis hugely affects sufferer's breathing by clogging the lungs and digestive system with a thick sticky mucus – something campaigners are attempting to emulate by breathing through a straw while pinching their nose.

And Miss Ascroft has backed the strawfie craze to catch on nationwide and urged members of the public to give it a go themselves in order to understand the hardships those diagnosed with the illness go through.

She said: "I think the concept is a fantastic idea because it is instantly memorable.

"It also kind of helps you to empathise with what people with the condition are going through."

Cystic Fibrosis affects around 10,000 people in the UK and is caused by a genetic mutation.

The life-shortening disorder results in chronic infections and inflammation of the lungs, with only half of the people diagnosed going on to celebrate their 40th birthday.

Miss Ascroft added: "Nearly everyone is on some form of

social media these days, which means that a lot of people will spot the campaign for themselves and most importantly learn about Cystic Fibrosis as a condition.

"Whether they choose to then support it is another matter completely, but just getting people to understand the illness is one half of the battle."

Miss Basingstoke and reigning Miss Hampshire, Larissa Hirst, will be encouraging runners to take strawfies at the starting line of the Brackenwood Festival 5k run this Sunday.

The race will start at 9.30am and will circle around Festival Place shopping centre, as well as looping around Basingstoke's Top of Town, Eastrop Park and Basing View.

And Miss Ascroft has revealed her excitement at representing charity Cystic Fibrosis Trust at the event, ahead of the start of Cystic Fibrosis awareness week, next Monday.

She said: "I think there are a lot of charities that need a little bit more exposure than others, and this is most certainly one of them."

"It should be a really fun day, so long as it doesn't rain!

"But I can't wait to meet all of the people that show up."

All the fun of the festival

I LOVE that you can survive the apocalypse, meet the human slinky, carve the perfect vegetable, visit the world in a day and enjoy all kinds of music, dance, theatre, comedy, circus and craft all here in the borough this June.

The Basingstoke Festival demonstrates the council's commitment to creating an area that is an attractive place to live, work and visit.

It also brings people together in celebration and showcases the year-round work of the area's vast and diverse pool of creative talent.

Now in its fourth year we are opening the festival with a glorious and free carnival parade.

From 5pm on Friday, June 19 the parade will have music, dancing and colourful costumes created with the expertise of the internationally acclaimed outdoor arts company Emer-

gency Exit Arts.

The festival is an opportunity to experience not only local but national and international arts of all kinds.

And it highlights the area's rich history, top-quality facilities, outstanding green spaces and beautiful rural surroundings.

So I would encourage everyone to pick up a programme and have a look what's on during the festival.

There is bound to be something for you.

For information on the full programme visit basingstokefestival.co.uk or follow the festival on Twitter @BstokeFestival, Facebook Basingstokefestival and on Instagram #Bstokefestival.

Frozen twist to summer Sun Run

BE a part of our Sun Run this June and help us to bring the joy of Christmas to seriously-ill children this summer. The Trust is encouraging people to register before Friday 5th June to be in with the chance of winning a tablet.

The Queen's Award winning charity, Sebastian's Action Trust is holding its 5km Sun Run on Sunday 14th June at Down Grange Sports Complex in Basingstoke. The annual event marks the beginning of the Trust's Christmas in July campaign, where participants can run, walk or jog the 5km route.

The Murray family from Chichester, Basingstoke have been supported by the Trust for 4 years and are taking part in the fun run as a way of giving something back to the charity. Mother and supporter Susan Murray said, "Sebastian's Action Trust has been a lifeline for Molly and our family. Molly has an undiagnosed severe neurological disorder, which causes her to have in excess of 200 seizures per day. The severity of this means that Molly requires constant care and observation which can leave a strain on the family unit as caring for Molly is extremely difficult.

Having been introduced to the Trust I have attended many Mums' Pamper days and my husband has become involved by taking part in Dads' days too. Molly's sister Tabitha has also attended many sibling events, all of these activities have given our family support in so many different ways as we have all been able to be around people experiencing similar issues and not being afraid to talk about it. Molly loves visiting the Trust's respite

holiday home, The Bluebells and by taking part in the Sun Run we know that all money raised will go towards supporting families like ours".

The Trust is also excited to announce that guest appearances by Elsa and Anna from the Disney hit film Frozen, will be greeting runners and spectators on the day.

Community Fundraiser Gemma Simpkins said, "We are delighted to have the support from our corporate supporters Unum, as this means that we can once again host our Sun Run at Down Grange. Although this day will be a great event, it also has a much deeper meaning. Sadly for many of our families a lot of children we support may not be able to celebrate Christmas in December. That's why we are encouraging as many people as possible to help us raise vital funds which will help the incredible children we support".

Entry costs £10 for adults, £5 for children and spectators are free. For those the register for the run before Friday 5th June will be entered into a prize draw to win a tablet. The Trust is proud to have the support

from Basingstoke Rugby Club, who have kindly let us use their facilities as well as putting on a BBQ, providing a bouncy castle and a Rugby coconut shy, which we are sure will not disappoint. Supporters will be able to buy refreshments and gifts from a variety of stalls and stands on the day.

TO register, please visit: www.sebastiansactiontrust.org/sun-run15 or call 01344 622500 to book your place today.

Sports club's grants for more coaches

• Hatch Warren Runners

THREE Basingstoke sports clubs have been given more than £2,000 in cash grants from a Basingstoke charity.

The £2,232, from Basingstoke and Deane Community Leisure Trust, was handed out to BH Pegasus Badminton Club, Basingstoke Wolverines Cheer Squad and Hatch Warren Runners.

A portion of £586 given to Hatch Warren Runners (HWR) will help the club train up extra leaders.

Chairman Mark Butler said: "HWR has grown exponentially in just over two years."

He added: "This grant will be a valuable resource to help us get these graduates progressed up to the next level of running and to help us to qualify more leaders to facilitate the group."

By Christian Wilson

christian@taylornewspapers.co.uk

"We will then be in a position to help more people begin their running journey."

The group, which launched in March 2013, holds club nights twice a week from the Portsmouth Arms Pub in Hatch Warren.

Festival Place-based BH Pegasus Badminton Club received £996.

While 2014 National Champion winners Basingstoke Wolverines Cheer Squad got £650.

Hazel Tilbury, director of Basingstoke and Deane's Community Leisure Trust Fund, said: "We are pleased to support small local groups that are look-

ing to encourage more people to become more active and to improve their health."

The grant is part of their mission to encourage more people to get involved in sport.

The charitable fund is administered and supported by the Hampshire and Isle of Wight Community Foundation.

The foundation's CEO, Toni Shaw, added: "We are really pleased to be managing this community fund which is aimed at helping more people in Basingstoke and Deane to take up sport and exercise."

Other sports groups, clubs for older people, youth clubs and community groups which want to build membership through sport and exercise can apply for a grant at the county council's website: hantsef.or.uk.

Plane crash inquest delayed

AN INQUEST into the death of a mum and dad who died in a Popham plane crash which their son survived has been delayed until September.

Lewis, 50, and Sally Tonkinson, 44, were both killed on January 4 after the light aircraft the couple were piloting came down in woodland.

The hearing had been due to take place last Wednesday morning at Basingstoke Law Courts.

But a spokesman at the Coroner's Office for Basingstoke and North East Hampshire said it had been moved to September, but could not say why.

Mr and Mrs Tonkinson, from Alcester in Warwickshire, were flying from the Isle of Wight, with their six-year-old son when the aircraft collided with woods in Popham, near North Waltham.

The husband and wife were pronounced

dead on the scene, with the toddler rushed to Southampton General Hospital with life-threatening injuries from which he would eventually recover.

It is as yet unclear whether bad weather conditions played a part in the crash.

The inquest is to be held at the Basingstoke Law Courts in New Road.

Army priest counts his blessings after diagnosis

HAVING toured all across the world as an army chaplain for 17 years, it is fair to say that Reverend Mark Christian has seen his fair share of shocking sights.

But even the Whitchurch priest was left stunned seven years ago after being told that he had Type 2 diabetes.

The diagnosis came as the granddad-of-three was preparing to fly to the Middle East to join troops in Iraq and ensured that he would have to take daily insulin injections and medication for the rest of his life.

While the 57-year-old former smoker admitted he wished he could turn back time and live a healthier lifestyle, he was quick to warn others not to make those same mistakes.

Revd Christian, who works at St James the Less Church in Litchfield, said: "I'm hugely lucky they discovered the problem when they did."

"Otherwise, who knows what would've happened."

"I was living on a wing and a prayer, but age catches up with you and so does diabetes."

"It will get you eventually unless you start making changes."

Diabetes is a lifelong condition that causes a person's blood sugar level to become too high

By Christian Wilson

christian@taylornewspapers.co.uk

and requires constant and regular self-treatment.

The risk of Type 2 diabetes increases with a poor diet and unhealthy lifestyle.

Ahead of Diabetes Week, which starts on June 10, charity Diabetes UK is hosting a foot care education workshop in Basingstoke next Tuesday to raise awareness of the dangers of diabetes-related amputations and enable people to have their feet examined for free.

The number of amputations in the North Hampshire area currently stands at 2.7 per every 1,000 sufferers of the disease.

Revd Christian admitted the idea of losing his feet had never

crossed his mind prior to his diagnosis, and the reverend urged fellow diabetes sufferers to go along.

He added: "I'm hoping it will provide me with information that can help me manage my own condition and avoid any potential foot problems later on."

"I don't want pieces of my body to start falling off."

Diabetes UK regional manager Jill Steaton said: "A single preventable amputation is one too many."

"This workshop not only gives people with diabetes the necessary practical advice and information about how to look after their feet, but will also help them understand what healthcare they should be getting."

The workshop from 11am to 3.30pm is at the Ark Conference Centre in Dinwoodie Drive.

Fastfit Service Centre is located at Unit One, Moniton Trading Estate in West Ham Lane.

And the independent automotive specialist is proud to be expanding in a bid to give its customers exactly what they want. "Everything your car needs is here under one roof", explained manager Byron Lewis who, like his team of experts, has spent a lifetime in the automotive industry.

He added: At Fastfit we offer hourly rates which are some of the best in Basingstoke. No job is beyond us and we are quite simply a one-stop shop and more besides. Whether it's an entire engine

overhaul or just tweaking the brakes, we will do it, and do it well."

The business is continually expanding and includes a new mobile tyre fitting and home start service. A comprehensive diagnostic service can also be provided and the business issues many dealer level tools ranging from Ford, Jaguar to Land Rover and Volkswagen.

Fastfit offers everything from MOTs and minor servicing to major repairs and complex engine work.

More complex issues include an Engine Control Unit (ECU) remapping service which makes the vehicle more

responsive and smoother to driver. In these tough time, it also slightly increases the miles-per-gallon!

Fastfit Service Centre also stocks a range of budget or performance tyres and it can also custom build stainless steel exhaust systems.

"Come and give us a try. You won't be disappointed," concluded Byron.

What our customers think

Mycar had been taken to three different repair centres which was suffering from low power none of them diagnosed the problem. I took it to these guys for a remap and full exhaust in the hopes it would fix it. It was better but Byron still thought it wasn't right so spent another couple of hours diagnosing it!

He didn't charge me extra and even finished after they should of closed. You just don't get that kind of service these days. Amazing!
Cheers, Clive Baldwin

Excellent service! Very polite and great value for money prices! I will recommend to friends and family. If you need your car repaired at the right price don't look any further.

Great service from the whole of the Fast Fit team. They know what they are talking about and are happy to help with any query.

I wanted something activated on my car that had not been done

at the factory. A dealer wanted upwards of £100 to do the job, I contacted Fast Fit and they have the same Dealer Software. Done the job quick and for a third of the price! These guys definitely know what they're talking about and I would recommend them to anyone!

UK WATER SOFTENERS

Established 20 years

Hard water is something we are all used to in Hampshire, although most of us have got used to putting up with it, many do not realise that you can do something about it. It furs up our heating systems, causing breakdowns, makes it more expensive to heat our homes and damages our appliances. The other problem with limescale is the constant cleaning of showerheads, shower screens, stainless steel sinks, the whole house can suffer where hard water is concerned. Limescale aggravates skin problems such as eczema and psoriasis. With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale related products, cut washing powder use by up to 75% and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt. The

TwinTec S3 is different. It is small, requires no electricity and uses block salt (like two house bricks) instead of heavy 25kg bags. Harvey Softeners has been manufacturing softeners in this area for more than 35 years. Kevin Goody (UK Water Softeners) is one of Harveys top TwinTec dealers and was voted number two in the country last year.

Why is Kevin so successful?

He puts it down to extensive marketing, having a great plumber with over 30 years of experience installing water softeners, good customer satisfaction and recommendations. Kevin has installed 4800 water softeners in homes in this area over the last twenty years and arranges everything from initial survey to installation. Kevin Goody also welcomes trade enquiries. We also service & repair Kinetico Water Softeners.

Sudoku

The objective is to fill a 9×9 grid with digits so that each column, each row, and each of the nine 3×3 sub-grids that compose the grid (also called “boxes”, “blocks”, “regions”, or “sub-squares”) contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

OCT will give accurate diagnosis:

- AMD
- Diabetic Maculopathy
- Macular Hole
- Epiretinal Membrane
- Early detection of Glaucoma

*It is estimated that approximately 2% of people over the age of 40 will have Glaucoma.

*Statistics obtained from The International Glaucoma Association.

What is an OCT scan?

This practice has invested in the very latest OCT scanning technology.

An Optical Coherence Tomography (OCT) scan is a unique test which uses near-infrared light reflected off the retina to produce a high resolution 3-Dimensional scan of the retina and associated structures.

It is particularly useful in the assessment of patients with AMD, Diabetic Maculopathy, early detection of Glaucoma and the management of these diseases. The test is non invasive, quick and entirely painless.

Am I at risk of Glaucoma?

Are you over 40?
Do you have a family history of Glaucoma?
Are you short sighted?
Do you have diabetes?
Are you of African-Caribbean origin?

If the answer is yes to any of these questions, then you are at an increased risk and should definitely have your eyes tested regularly.*

Why has this practice invested in OCT?

We believe this advanced imagery allows us to detect and monitor early stages of diseases and as this examination is not available under the NHS, we make an additional charge for this scan. Please ask for further details.

This assessment of your eyes using OCT Technology will give us the most accurate diagnosis possible and help us give you the best advice to protect your sight and the health of your eyes.

Your eyes deserve the benefits of cutting edge technology available at this practice.

All glamour and glitz

THEY dominated the UK charts from the mid-1970s to the late 1990s with soulful voices and extravagant floor-length gowns.

And now The Three Degrees are dominating Great British roads as they make their way to The Haymarket tomorrow during their UK tour.

Formed in 1963, the band has had a total of 15 different members during the past 52 years, with Helen Scott (1963-1966, 1976-present day), Valerie Holiday (1976-present day) and Freddie Pool (2011-present day) making up the current trio.

Helen told the Observer: "Many of the other members were, by their own choosing, only temporary members, so we were not together long enough to form a real bond."

"To this day, I still stay in contact with Cynthia Garrison who retired three or four years ago and I stayed in touch with Fayette Pinkney but she is dead now, sadly."

"And since our name is The Three Degrees and we started as three, we didn't really ever consider anything else such as the Four Degrees or Two Degrees as time went on."

Since releasing their debut single, 'Gee Baby (I'm Sorry)' back in 1965,

By James Richings

jamesr@taylornewspapers.co.uk

the threesome has achieved major mainstream success in the UK.

Hits such as 'Woman in Love', 'My Simple Heart' and 'Take Good Care of Yourself' all peaked in the top-10 of the UK singles chart.

Their most notable hit 'When Will I See You Again' reached the top spot in the 1974 charts, where it stayed for two weeks.

The group haven't released a single since 2010.

But that fact doesn't concern Helen.

"We are constantly looking for the right material, the right producer and the time to actually relax and record," she said.

"The audience can expect nothing less than the Three Degrees always gives - everything, a great show, including many of our hits, choreography and some glamour and glitz."

Tickets for the show at the Wote Street theatre cost £25.

The performance starts at 7.30pm. Go to anvilarts.org.uk for details.

Sounds of the Sahara

GRAMMY Award winners Tinariwen will be bringing their sounds from the Sahara Desert when they visit The Anvil this evening, Wednesday June 4.

The group, which formed in 1979, is originally from Mali.

The unique African group has gone

on to release six albums, and has had over 20 members.

"It's been 15 years now that Tinari-

wen have been playing in Europe regularly," vocalist/guitarist Eyadou Ag Leche told the Observer.

"I'm not sure we were expecting anything before playing in Europe, the US or South America, but we are very grateful to the public that is supporting us.

"Also, the last time we played at The Anvil was way back in 2005 as part of The African Soul Rebels Tour with Rachid Taha & Daara J, so it will be a pleasure to return there 10 years later."

The band has proven popular across Africa and the Middle East, as well as in Europe.

But it wasn't until the release of their 'Aman Iman: Water is Life' album in 2007 that they made their mark in the world of music.

In 2012 the group won a Grammy for the 'Best World Music Album' with 'Tassili'.

Eyadou added: "We are popular in Mali and in Algeria where some of us live and being a member of Tinariwen is of course a big part of my life."

"And for the audience members that arrive, they can expect a journey to the desert, campfires and dance.

"This will be an insight into our homeland."

The show starts at 8pm at the theatre in Churchill Way.

Tickets cost £23.50. Go to anvilarts.org.uk for information.

PHILHARMONIA ORCHESTRA

Sibelius' Karelia Suite was one of his first great successes, using music written for a patriotic pageant in a region of Finland close to the Russian border. Glazunov's passionately lyrical and undervalued Violin Concerto dates from 1904, a period when the composer was at the height of his creative powers. Sibelius' second symphony was written largely in Italy and inhabits a very different musical world from the northern darkness of his first. The sense of renewal and exploration continues through its four movements before building inexorably to the final thrilling brass theme.

Honda's World Record attempt

HONDA are four days into a Guinness World Record attempt, testing the fuel efficiency of its i-DTEC engine to the limits.

Two Honda team members set out from Belgium on Monday for an 8,500-mile drive across 24 European nations in a Honda Civic Tourer.

The aim is to cruise through the countries using as little diesel as possible with a 1.6 i-DTEC engine, setting a new world record on the way.

Fergal McGrath and Julian Warren, of Honda's European research and development team, each face almost nine full days at the Honda's helm traveling in a clockwise loop around Europe.

The pair are aiming to finish back at their starting point on June 25, having covered 8,459 miles.

"We are very much looking forward to the record attempt and while we're excited, we're both a little nervous about the scale of the task that awaits us," Fergal said.

"A huge amount of planning has gone into taking on this challenge and we look forward to what we hope will be

a successful result when we return to Brussels on June 25. We've got more than 170 hours behind the wheel to contend with."

Honda aims to set a benchmark with a Guinness World Records title that has never before been attempted in Europe, and under their rules the same two drivers must be in the car for every kilometre of the journey.

Fergal and Julian volunteered to take up the challenge and will be charged with driving an average 370 miles, taking around 7.5 hours each day.

The official Guinness World Records title is 'Lowest Fuel Consumption - all 24 contiguous EU countries', measured in litres per 100km and miles per gallon, calculated over the entire journey.

If successful, the new record would apply to all cars, including hybrid and electric models.

Based on strict guidelines, the car

has to enter each of the 24 countries collecting a range of evidence, including a fuel/mileage logbook, GPS readings, video, photographs and independent witness signatures as proof.

They will cover Austria, Belgium, Bulgaria, Croatia, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Italy, Latvia, Lithuania, Luxembourg, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden.

The route does not extend to the UK, Ireland, Cyprus and Malta because the car is only allowed to travel by road.

Philip Crossman, managing

director of Honda UK, said: "Since its launch in 2013, we have seen the 1.6 i-DTEC engine consistently over-perform on real-world fuel efficiency in our Civic, Civic Tourer and CR-V models.

"This is our opportunity to put it to

the ultimate test on a huge scale.

"We are very confident of a great result and we wish the team all the very best of luck as they take on the challenge."

To follow their progress, go to tracker.co.uk/RealFuelChallenge.

• The i-DTEC will be put to the test in a Honda Civic Tourer

All-rounder James delivers masterclass

BASINGSTOKE and North Hants Cricket Club continued their perfect start to the season on Saturday by winning their fifth straight league match.

The Barrowman were inspired by a superb performance from all-rounder Martyn James as they beat Andover by 95 runs to move up to second place in the Southern League Division One table.

James was prolific with both the bat and the ball as he hit 59 runs and finished with bowling figures of 5-32 to ensure that Basingstoke were never really

left troubled at May's Bounty. But things didn't start so well for the home side after they won the toss and elected to bat first.

The previous week's victory over Rowledge had come off the back of a sensational century from Mitch Stokes after fellow opener Richard Vinn had been dismissed for a duck.

But both men started poorly here, as Stokes (1) and Vinn (3) were quickly sent back to the pavilion.

Andover bowler Darren Augustus (2-33) claimed the

valuable early wickets.

And the Barrowman's innings was sitting very precariously after Dean Nurse (12) and Christopher Oliver (3) were dismissed cheaply to leave them on 76-4.

A 73-run fifth wicket stand between top scorer Chris Froud (71) and James would turn the match however.

And the latter continued to add to the tally after club captain

Froud was eventually bowled by Daniel Foy.

Teaming up with Patrick Joseph (16), the man of the match contributed to a 54-run seventh wicket partnership to leave Basingstoke on 242-8 after 50 overs.

And it was that man James again who ensured that the visitors' innings did not start smoothly.

He clean bowled Andover's opening three batsman, including the removal of David Taylor for a golden duck.

Joseph and Graham Porter

soon joined the party by taking the wickets of Augustus (8) and Martin Roberts (19) to leave them on the brink of victory.

An impressive half century (54) by low order batsman Matt Hooper gave the visitors a glimmer of hope, but that was extinguished by Mathew Thankachan, before Porter and David Pistorius both struck to leave Andover all out for just 147.

Victory saw the Barrowman leapfrog Hook and Newnham Basics in the table, with Basingstoke set to host their local rivals this Saturday.

Hook lose unbeaten record to Hartley Wintney

CRICKET: Hartley Wintney surprised high-flying Hook and Newnham Basics to win on Saturday.

Hook went into the local derby on the back of a perfect start to the season, having won each of their first four matches of the season.

By contrast, Hartley had only won one match in the Southern League Division One in a rocky start to their season.

But the visitors flipped the script, putting in a superb performance to win by 34 runs at the King George V Playing Fields.

They dismissed Hook for 237, having finished their innings on 271 all out.

Archibald misses third cut in EuroPro Tour

GOLF: Basingstoke golfer Stuart Archibald continued his poor start to the EuroPro Tour season by missing his third consecutive cut.

The 30-year-old from Worting missed out at the Kerry London Championship on Friday, following a shocking second round of 78 to leave him with a final score of four over par.

That round saw him pick up four bogeys and two consecutive double bogeys at the fifth and sixth, after shooting an opening round score of 70.

Archibald's early exit came off the back of other disappointing showings at the World Snooker Open and the Buildbase Open.

Goodridge impresses on England debut

BOXING: Basingstoke boxer Bryce Goodridge had an England debut to remember.

He stepped up at late notice to win the Elite Great Britain Three Nations Boxing Championships light heavyweight gold medal at the Magna Science Adventure Centre in Rotherham in the 81kg category.

Goodridge beat seven-time Scottish champion Scott Forrest in the semi-final on Saturday, May 23, before going on to claim a split decision win over Englishman Ashley Vanzie in the finals the next day, Sunday, May 24.

Collard gearing up for next round of BTCC

HOOK-BASED racing driver Rob Collard will be looking to return to winning ways this Saturday in the fourth round of the British Touring Car Championships.

After just missing out on his second win of the season last month in an altogether disappointing return to his home track

at Thruxton, the 46-year-old will be desperate to top the podium at Oulton Park in Cheshire.

Collard currently finds himself in eighth position in the standings on 76 points after three races - some 38 points behind championship leader Gordon Shedden.

The WSR driver's single vic-

tory of the season so far came on the opening day as he stormed to victory in race one at Brands Hatch to start the season in perfect fashion.

But the experienced racer will have been disappointed not to have added to his tally of victories on his return to Hampshire on the May 9 weekend as he was

just pipped to the finish line by BMR VW rival Jason Plato, in a cat and mouse race that saw him finish on the podium in second place.

Arguably his most consistent weekend of the campaign came at Donington in April however, where he picked up some good points in all three races - finish-

ing in eighth, sixth and fourth.

And Collard will looking to replicate that level of performance again this time around, on a track that saw him finish on the podium twice last season.

BISON SIGN TOP SLOVAK STOPPER HIADLOVSKY

BASINGSTOKE Bison have continued preparations for next season with the ambitious capture of Elite League net-minder Tomas Hladovsky.

The signing of the 26-year-old Slovak from Edinburgh Capitals comes as quite a coup for the Herd as they look to mount a title challenge in the English Premier Ice Hockey League this Autumn.

Hiadlovsky will bring a wealth of top-level experience with him to Planet Ice, having spent the last three seasons between the pipes in Scotland, where he became a firm fan favourite.

And the former Slovakian junior international's skills weren't lost on Bison's director of hockey Doug Sheppard, who backed the goalie to be a key player for the Stampede next year.

He said: "Tomas is a key signing for us and is a player who can win games on his own."

Sheppard added: "He has been battling to get his side into the play-offs for the past three years but will come to us to hopefully help win the play-offs."

"The more I spoke to people about him, the more the decision to sign him became easier."

Having arrived in Britain in 2012 after several years with hometown team HK Dukla Tencin in the top tier in his native country, Hiadlovsky went on to play over 3,000 minutes with the Capitals.

The Slovakian's transfer means Bison only have one more import signing left, as the club already has five foreign players.

With new British forward Shaun Thompson already added to the forward line, and Ciaran Long and Joe Greener also re-signed, the team has a lot of strength in the offensive department.

Sheppard said: "Signing an import goalie changes your options elsewhere in the team, but I am happy we will have British forwards who will score enough goals this season."
